Please note:

- All students are required to open a Post Payment Bank account; without which you will not receive any government scholarship.
- To open a post account, all students should prepare the following documents and amount:
 - Active Mobile Number: Ensure you have a mobile number that you can access.
 - Mobile Phone: Bring your phone for any necessary verification.
 - Aadhaar Card: This is required for identity verification.
 - ₹200: This is the fee for opening the post office account processing fees.

Having these items ready will help you easily open your post account.
- All students must open an India Post Payments Bank account to fill out their scholarship application and receive scholarship funds in their account.
- This schedule for the opening post account is final, and students must complete their account opening process. The dates for post account opening will not be extended beyond this schedule.

Kindly adhere to the schedule and ensure timely participation
