DEPARTMENT VISION:
To equip the students with technical and professional skills in Computer Engineering by imparting skill-based education along with industrial knowledge to fulfill the changing needs of the society.

DEPARTMENT MISSION:
M1: To foster technical skills and competencies with professional ethics through quality education and industry interaction.
M2: To imbibe lifelong learning skills through hands-on training, value added courses to work in a multidisciplinary socio- industrial environment.
M3: To cultivate proficiency in problem-solving, communication skills and spirit of entrepreneurship as an individual and collaborative team member.
