About Institute

Zeal Education Society was established in 1996 with the vision to offer education with a difference, the expert guidance of Hon. Shri. S.M. Katkar, a distinguished industrialist. ZES hosts eight institutes that provide quality education to students from preprimary to Ph.D. courses. Zeal Polytechnic started in 2008 and offers Diploma Courses in Mechanical Engineering, Civil Engineering, Computer Engineering, Electronics and Telecommunication Engineering & Electrical Engineering.

Founder Director's Message

Hon. Mr. S M Katkar

I believe that diploma education provides hands on experience to students. Therefore, as an entrepreneur, I insisted my three sons to take admission in polytechnic before going to higher education in mechanical engineering.

At zeal polytechnic, we are committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We aim to prepare young engineer entrepreneurs and managers. They will have the competence and confidence to face all challenges. It is possible only when we impart high quality technical and managerial education coupled with appropriate training and wide exposure to the state of art practices.

This newsletter lays emphasis on all round personality development and also on inculcating human values and professional ethics. It helps our students become more human and socially responsible beings to lead a meaningful life.

I wish a very knowledgeable, healthy and prosperous life to all.

"Ignited minds are the most powerful resources on earth, and the one billion minds of our nation are indeed a great power waiting to be tapped."

Hon. Mr. S M Katkar
Founder Director
Zeal Education Society, Pune.

Principal's Message

Prof. Ayub A. Tamboli

I am very happy to note that the department of Civil Engineering of Zeal Polytechnic is releasing its newsletter enumerating the various activities and achievements of their faculty and students. Polytechnic education provides the knowledge and skills required to help revolutionize the world in which we live. The students and faculty of department are proactive in taking initiatives in technical, cultural and social events. I hope this newsletter will serve the purpose of reflecting all activities of this department and it will inspire others to do their best. I congratulate all the students who have put their efforts in bringing this first issue of newsletter and also appreciate HOD and all faculty members for motivating the students towards this fulfillment. I wish each one of them in the department success in all their endeavors.

Prof. Ayub A. Tamboli
Ph. D Pursuing, ME(HPE), BE(ME)
Principal,
Zeal Polytechnic, Narhe, Pune.

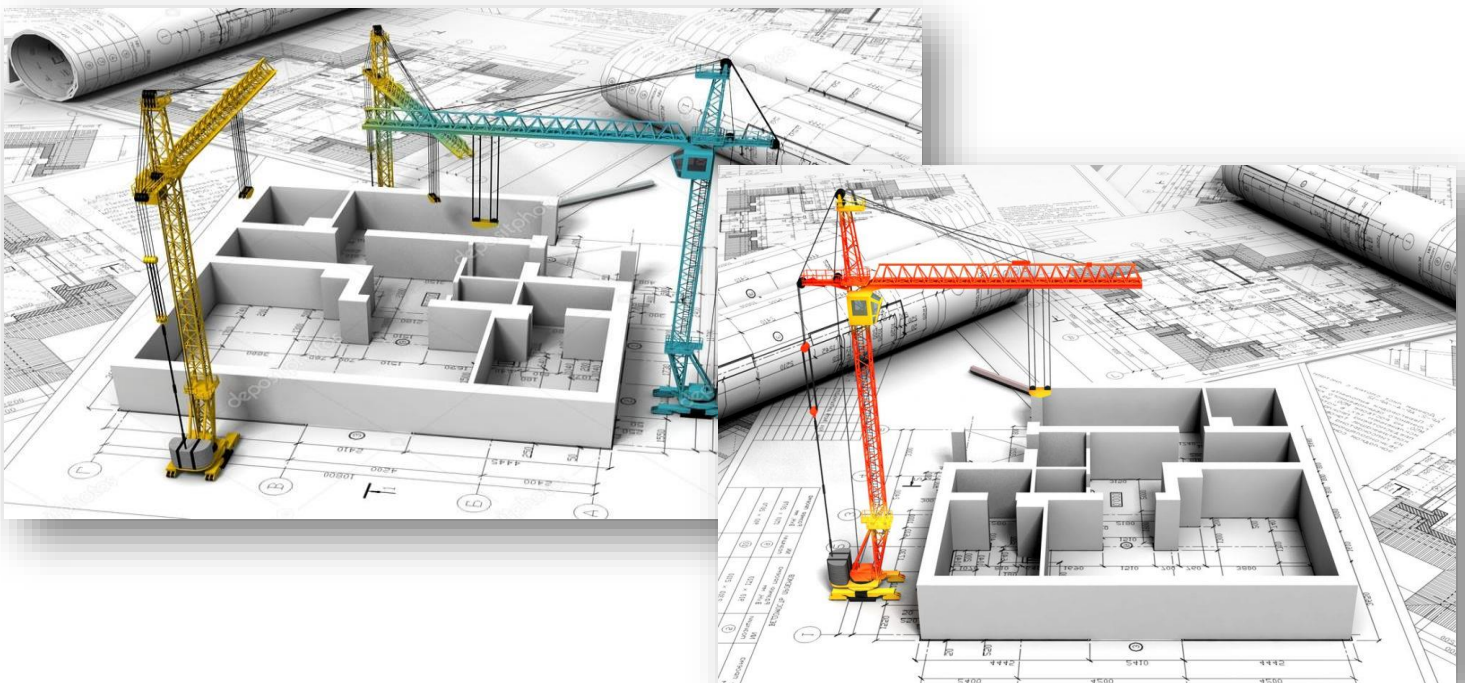

H. O. D's Message

Mr. Prashant L. Jadhav

Prof. Prashant L. Jadhav
M. Tech. (Hydraulics), B.E. (CE)
HOD, Department of Civil Engg,
Zeal Polytechnic.

A Civil Engineer shapes the world by building their imagination in reality. By knowing the value and importance of our department, we have cultivated ourselves to meet the needs and expectations of society. The Department of Civil Engineering was established in the year 2010. Taking a glance at the recent history of infrastructure constructions in the world, it is certain that the civil engineering technologies of our country stand at one of the highest levels in the world. Civil Engineers play ever-increasing and visible roles in shaping our future and the world we live in. They seek creative solutions to complex issues in the today's world like engineering sustainable cities, designing, building and renewing the world's infrastructure, meeting growing energy and water demands, and preserving and protecting the environment. Students are also encouraged to participate in project competition and model making to gain practical experiences in preparation of project and competition. Department carries out various civil engineering consultancy works for the private agencies in the field of Designing and Testing.

Editor's Message

Prof. Pranali.S. Patil

It is with much respect and humility that I present before you this newsletter, which brings into limelight this edition of expressions galore in the minds of our ZEALIAN's. Every creator painfully experiences the charm between his inner vision and the ultimate expression, the charm that is never completely bridged. We all have the conviction, perhaps illusory, that we have much more to say than that appears on the paper. Through the pages of this endeavor, you can see the breathings of young hearts, as words are little audible links that bring together the great inaudible feelings and purposes. As a part of education, Civil Department always give importance to practical and hands on practice of engineering knowledge. Also, it promotes the students for stage performance to display their knowledge from medium like paper presentation, project competition, quiz competition, workshops, exhibition etc. We are trying to display all of these news in this newsletter.

I am very happy to play editor role for this department.

Prof. Pranali.S. Patil
ME (Construction Management),
B.E (CE)Lecturer, Zeal Polytechnic,
Narhe, Pune.

At its heart, engineering is
about using science to find
creative, practical solutions.
It is a noble profession.

Zeal Education Society's Vision...

“To empower society with holistic development through quality education”

Vision

“Transforming dreams into reality by developing an individual’s potential through spread of knowledge and wisdom in healthy environment.”

Mission

- Implement comprehensive teaching learning processes to create competent students.
- Focus on character building through a range of curricular and extra-curricular activities.
- Motivate students to identify social needs and provide engineering solutions.

About Department

Department of Civil Engineering

The Department of Civil Engineering was established in 2010. The intake capacity is 180.

The department aims at offering the students learnings that will stay with them forever and develop professional skills to help them face the challenges in the industry and create better prospects for them. The curriculum is conducted in a structured manner.

The Civil Engineering Department has 07 well equipped labs with latest equipment required for curriculum development. Various industry experts and eminent resources conduct workshops and seminars and share their valuable knowledge and expertise with the students.

“To create competent, self-disciplined, morally strong Civil Engineers with capabilities of accepting challenges of ever advancing technology for the benefit of society”.

- To impart quality education in Civil Engineering.
- To raise the satisfaction level of all stake holders.
- To motivate students for proactive learning by creating conducive atmosphere.

FACULTY PROFILE

Department of Civil Engineering

| | |
|-------------------------|--|
| Name | Prof. Prashant L.Jadhav |
| Qualification | B.E. Civil, M. Tech. (Hydraulics) |
| Designation | Head Of Department |
| Experience | Teaching:- 8 Years |
| Area of Interest | HYD, IEN, BCO, BDR, CTE, MAN, SOM, TEN, HEN, WRE |
| Email ID | prashant.jadhav@zealeducation.com |

| | |
|-------------------------|--|
| Name | Prof. Mahesh V.Khade |

CO-CURRICULAR ACTIVITIES
Guest Lectures and Workshops

ZEAL INSTITUTE **25** **ZEAL POLYTECHNIC, PUNE**
Department of Civil Engineering

**INDUCTION PROGRAMME
2021-22**

All Students of FYCE & SYCE (2021-22)

Duration- 03 Days
(1st Sept. 2021 to 3rd Sept. 2021)

Platform:
Microsoft team

FEATURES

- Expert Talk by Academicians, Industry Experts, Alumni & Counselors
- Virtual Industrial Visits & Laboratory Visits
- Awareness about Online/E-Resources available at Library
- Services by Admin Office (Student Section, Account Section, Scholarship Section)
- Awareness about Student Support System
- Importance of Curricular, Co-Curricular and Extra-Curricular Activities
- Introduction to Global Certification Courses
