I/C Time Table      Head of Department      Institute Academic Coordinator      Principal

Department Vision: "To develop ethically sound and competent Electronics & Telecommunication Engineers by imparting quality education to serve industry and societal needs."  
 Department Mission:

- M1: Impart technical skills and competencies with professional ethics through comprehensive teaching- learning process to meet society and industry needs.
- M2: To enhance technical skills of students through industry institute interactions, quality education and lifelong learning to excel in multidisciplinary work environments.
- M3: Cultivate creative thinking, problem-solving and communication skills among students to enhance the spirit of entrepreneurship.
