OFFICE ORDER

INDUSTRY INSTITUTE INTERACTION CELL (IIIC)

Healthy interaction between Institutions and Industry is mandatory for growth of any institution. The blooming engineers need the exposure to Industry and understand the Corporate Culture for their Placements in different Multi-National Companies. It is evident that with the advent of globalization and opening up of Indian economy to outside world, competition among the Industries has also become stiff. Industries also need good students who are well aware of industry standards and capable of achieving so. Therefore, there is an urgent need of interaction of industry and academics where academic institutes can prepare students for jobs in multinational companies and industry. For this to become reality, an Industry Institute Interaction Cell (IIIC) is established at Zeal Polytechnic Narhe, Pune

OBJECTIVES

- ✓ To give industrial exposure to students and faculty members, thus enabling them to tune their knowledge to cope with the industrial culture
- ✓ To assist the departments in organizing workshops and conferences with joint participation of the industries
- ✓ To encourage engineers from industries to visit institution to deliver lectures
- ✓ To take participation of experts from industries, in curriculum development
- ✓ To organize industrial visit, in-plant training for faculty members and students
- ✓ To encourage faculty members to use their expertise in solving the problems faced by the industries, thus creating opportunity for consultancy
- ✓ To undertake Industrial testing by faculty and technician at site, or in laboratory
- ✓ To identify the areas for executive development programmes in the areas of recent technological advances
- ✓ To assist the Departments in establishing rapport with industries for taking up mini projects and projects
- ✓ To assist the Training and Placement Division
- ✓ To establish memorandum of understanding between the institute and industries to bring the two sides emotionally and strategically closer. Laboratories sponsored or supported by industries at the institute
