Title of Activity	Entrepreneurship Opportunities for Diploma Students														
Date of Activity	28/03/2026														
Name of Expert	Mr. Suresh Umap Ex MCED Regional Officer., Pune.														
Objective	• To create awareness among diploma students about entrepreneurship as a career option. • To motivate students to develop innovative ideas and start their own ventures. • To provide knowledge about business opportunities in emerging sectors and rural areas. • To inform students about government schemes, financial support, and registration processes for starting small businesses. • To develop entrepreneurial thinking, creativity, and problem-solving skills among students.														
Summary	An expert session on <i>Entrepreneurship Opportunities</i> was conducted for diploma students to encourage them to explore self-employment and business opportunities. During the session, the speaker discussed the importance of entrepreneurship and the reasons for becoming an entrepreneur. Interactive entrepreneurship exercises were conducted to help students understand entrepreneurial thinking. Students were guided on how to select innovative project opportunities and convert them into viable business ideas. The session also highlighted upcoming business sectors and industrial opportunities, especially in rural areas. Important entrepreneurial qualities such as leadership, risk-taking ability, creativity, and decision-making were explained. The expert also provided information about various steps involved in establishing a Small Scale Industry (SSI). Students were introduced to financial support schemes such as SIDBI, PMEGP, and CMEGP, which help first-generation entrepreneurs with loans and subsidies. The process of Udyam Registration for starting a business was also explained.
